CHARLTON MA. 01507

We the Class of 1995 dedicate this issue of the Bay Path Yearbook to two special people who have become a big part of our lives and the staff of the Guidance Department who have shown a willingness to become a positive part of our lives.

For four years Mr. Shivick and Mr. Walsh along with the Guidance staff have given their time and effort to support the Class of 1995.

We thank them all for the time they spent with us, and hope that they realize how special they are to us.

SUPERINTENDENT'S MESSAGE

Message from the Superintendent Director

On behalf of the Faculty, Administration, and School Committee, congratulations on completing your High School years at Bay Path Regional Vocational Technical High School. The education you received should serve you well in the future. Please remember, there is no substitute for hard work and dedication. Your future success will depend on your willingness to apply all that you have learned.

Although most of you have been at Bay Path for four years, please do not consider this short time as your last years spent in formal education. Many of you must realize you have an abundance of talent which could be further developed to maximize your full potential. Consider continuing in education beyond Bay Path on a full or part time basis at a local community college or four year institution.

As a vocational graduate you have the best of two worlds, a vocational skill and an academic diploma which will enable you to grow within your vocational area or profession. Society will depend upon your skill as a vocational technical graduate. Participate in community activities and take an active role in society.

Once again, congratulations and best wishes for future success!

Sports

The 1994 Bay Path football team, for the first time since 1988 failed to either capture the Colonial League Championship or participate in post season play. The team finished with a 7-2 record, which with all things considered was excellent. The character displayed by the team after the adversity and personal loss was a reflection of the dedication and hard work from all the players and coaches. Again coach Dhembe led the team to a fine record. In many ways this years team were all champions.
